SUBJECT: NCAA Game Officials Background Check Program.

This is to provide you with information as it relates to the required 2011-12 college baseball postseason game officials background check program. Please follow the instructions carefully.

As a reminder, for a game official to be eligible for assignment to work any NCAA Division I postseason baseball tournament games, it is necessary to submit the required information via the online NCAA Division I Game Officials Background Check Program. The attached instructions explain in detail the steps to complete this process. The online system will open **January 6 and will close at 11:59 p.m. Eastern time February 13.** The system will **not** be accessible at any other time. **No paper documents will be accepted.**

If the form is not completed online by the noted deadline, there is no recourse and you will not be eligible to officiate a 2012 postseason baseball tournament game. It is strongly recommended that you print the date-stamped confirmation page as it is your responsibility to verify proof of submission of the required online forms. For privacy reasons, there will be no notification from the national office prior to the deadline to officials or conference offices/officiating coordinators if the background check process is not completed by an official.
