"I don't know how I would have gotten things done without [the Arbiter]. It has my full endorsement and I will pass that recommendation on to every assignor I run into. Great work."

- Don Reese,  
Peninsula

Association

"I investigated every computer based assigning program... The Arbiter was the hands-down winner... I continue to analyze different offerings and the Arbiter always comes out on top. The support staff has always been willing to go above and

"I assign umpires for the Men's Senior World Series, over 1,000 games during a two week period at 32 different sites... without the Arbiter, I wouldn't do assigning... it's as simple as that!"

- Kevin  
Daugherty,  
Arizona  
Collegiate  
Umpires  
Association

"God must love you, I've almost stopped swearing!"

go above and beyond the call of duty... they implement new enhancements I recommend. I recommend The Arbiter without reservation."

"I'm 100%  
behind the  
software... not a  
computer  
person, but this  
has made my  
life much  
easier... very  
easy for a  
"computer  
stupid" person  
to use. I love it!"

"I have over  
2,000 high  
school  
basketball  
games and 177  
officials to  
assign. When I  
first started  
using your  
program I was  
amazed to see  
how easy it was  
to put the right  
officials on the  
right games.  
The athletic  
directors call  
and voice their  
pleasure on the  
professionalism  
of the easy to  
read schedules  
they receive. I  
would not  
attempt to  
assign ever  
again without

- Bill Adams,  
Central Maine  
Board of  
Officials

"We now have  
well over 1000  
games entered  
and we are still  
going strong. I  
really like the  
program and all  
the things it  
does for us.  
Now if it would  
only go out and  
work those  
games that get  
turned back!"

- John Barnes,

again without  
the aid of the  
Arbiter."

"I have used  
s e v e r a l  
a s s i g n i n g  
p r o g r a m s .  
Arbiter is the  
only one that  
does what's  
needed. I have  
been assigning  
high school and  
s e m i - p r o  
F o o t b a l l ,  
Basketball and  
Baseball since  
1977. I started  
a s s i g n i n g  
manually, and  
tried several  
p r o g r a m s  
through the  
years. The  
Arbiter meets  
my n e e d s  
perfectly. I have  
been using The  
Arbiter since  
1990."

"I would like to

making my  
usage of the  
Arbiter program  
so smooth.  
Your technical

are very friendly  
and extremely  
helpful. They  
pinpoint any

may arise  
almost instantly.
