Umpires are encouraged to take the 2010 NCAA Baseball Preseason Test. This year's test features 50 randomly selected questions from an overall bank of 105 covering the rules, points of emphasis and mechanics. The test can be taken in multiple sittings, with answers automatically saved between sessions. In order to be eligible for an NCAA postseason assignment, an umpire must score 80% or better. Each umpire is permitted to take the test twice; the highest score will be recorded.
